

THE PRINCE'S COUNTRYSIDE FUND

The Prince's Countryside Fund gives grants to projects that support the people who care for the countryside. It was set up by HRH The Prince of Wales in 2010 to tackle the five key issues threatening the UK countryside. Rural isolation, low farming incomes, the decline of rural communities, the lack of access to training and disconnect with the value of the countryside.

Here at The Goring, we are supporting The Prince's Countryside Fund by donating part of your spend on certain items to the fund. We will then match this from our own incomes.
