The Goring Eras – “The Rate of The Century”

Pay the room rate of years ago...

Relive the Golden Goring Eras over the next year when you book into The Goring – and pay rates of days gone by.

When you stay three nights or more you will enjoy one night at the old price.

In May, one night will cost you 37 pence (7 shillings and 5 pence).

In June, it will cost you £1.20 (1 pound and 4 shillings) and in July it will cost you 85 pence (17 shillings).

You get the idea.

Go on, treat yourself, why not come every era!

The Edwardian (1910), The Roaring Twenties (1920), The War Years (1940's)

Also, on the first night guests are invited to enjoy their first drink in The Bar and Lounge at the price from that decade.
