

The Goring

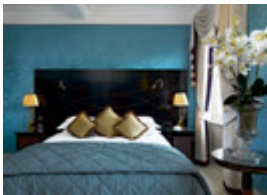

Virtuoso Hotel of the Year

A huge thank you from all your friends at [The Goring](#), London. We are absolutely thrilled to have won this amazing award. Being voted top hotel in the world (amongst almost 900 of the very best properties) has taken our breath away.

Since 1910 this family-owned hotel has created a home from home for all its wonderful guests. Over that time so much has changed - technology, fabrics, fashion and food - however, one thing has remained constant and that is the warmth of the welcome here at the hotel.

[The Goring](#) is a unique place where 150 dedicated staff spend each day cosseting your guests. Thank you for supporting us and thank you for sending your precious clients. If you continue to send them we will continue to spoil them.
