CHOCOLATE DELIGHT AT THE GORING

April 2015 – Elegant and charming with an eye for detail. Contemporary and sophisticated but with a genuine heritage. Quirky and surprising, where everything runs like clockwork. All qualities which define what it means to be ‘impeccably English’ - and which perfectly describe both The Goring hotel in London and its neighbour Rococo Chocolates.

These two British icons have come together, in the heart of Belgravia, to create a wonderful, truly personal experience for The Goring guests. Just a short stroll from the hotel, guests will be able to take part in deliciously indulgent chocolate workshops at Rococo’s flagship store – home to its esteemed master chocolatiers.

The values shared with The Goring is something which Rococo Chocolates founder, Chantal Coady feels strongly about:

“We have always been proud of our British heritage, which runs through everything we do. Working with our neighbour The Goring celebrates the very best of contemporary creativity whether it’s a delicious British-made chocolate bar, or the truly personal service found at The Goring – both of which bring a smile to the customer’s face.”

Jeremy Goring added:

“We are thrilled to be working with Rococo Chocolates who provide utterly scrumptious English products of the very best quality. Here at The Goring we have over a century of commitment for the best of everything - and Rococo shares that passion. We hope our guests enjoy this wonderfully

NOTES TO EDITORS

The Goring was opened by Otto Goring in 1910. It is now the only five star luxury hotel in London that is owned and run by the family that built it. Jeremy Goring is the fourth Goring to run the impeccably English hotel that his great-grandfather opened. Deep in the heart of Belgravia, just behind Buckingham Palace, The Goring is within strolling distance of the Royal Parks and the best shops, theatres and galleries in town.

The Goring has just completed a top-to-toe renovation, just in time for its 105th birthday on 2 March 2015. Contemporary design and innovation now combine seamlessly with the charm and elegance of British heritage.

Above all, The Goring reflects one family’s passion for quality – whose members have prided themselves on providing comfort, good food and drink and faultless, individual service, for over a hundred years. In January 2013 The Goring was granted a Royal Warrant of appointment to HM The Queen for Hospitality Services. The Goring is a member of Relais & Châteaux.
