

The Goring

## CELEBRATE LONDON THIS CHRISTMAS AT THE GORING

(October 2017) Double-decker buses, Big Ben, black cabs, red pillar boxes – this Christmas, London’s impeccably English hotel, [The Goring](#), will unveil a glorious Christmas tree that celebrates the capital.

The magnificent tree will be richly decked with gleaming baubles of landmarks and icons that say London and England.

The Goring’s Managing Director, David Morgan-Hewitt comments:

“So many of our guests tell us how much they love London: its people, its iconic sights, its history and heritage. So, this Christmas we are unabashedly celebrating London and all its glories.”

The Goring is the only 5\* luxury hotel in London that is still owned and run by the family that built it, and feels more like a private house than a hotel. The 2017 Goring Christmas Tree will be the festive centrepiece, giving the splendid Front Hall the relaxed sophistication of a grand English country house at Christmas time.
