

Party like a LobStar! A Cornish Summer of Lobster & Fizz in The Goring Garden

The Goring Hotel brings a splash of the Cornish coast to Belgravia with an unbeatable line up including the Delevingne sisters' fabulous new Fizz, Della Vite, and décor by LOVE Brand & Co

LONDON — (April 2021) — The Goring is back with a bang, debuting an unbeatable summer line up at London's largest private garden to bring the Great British staycation to Belgravia. From the 17th May until the end of summer, The Glorious Goring Garden, which is larger than Centre Court at Wimbledon – and the biggest hotel garden in Central London, will serve a simple but seriously tasty menu of grilled lobster accompanied by [Della Vite](#), the award-winning Prosecco, created by the Delevingne sisters.

Lobster-lovers are in for a treat with fresh-off-the-boat Cornish lobsters supplied by [Just Shellfish](#), a family run crab and lobster shop in the heart of Port Isaac, grilled on the BBQ day-to-night. In addition to the ultimate combo of lobster & fizz (which includes The Goring's famous lobster omelette), guests can expect The Goring Sea Food Platter, The Lobster club and Lobster Caesar Salad, freshly shucked rock oysters, fillet steak surf & turf and BBQ seasonal vegetables. The delicious seafood menu will be paired with chilled glasses of Della Vite's Prosecco Superiore DOCG. With aromas of citrus blossom and olive, Della Vite Prosecco Superiore is made exclusively from handpicked Glera grapes, grown in the valley of Valdobbiadene.

The Goring Garden itself will also be a feast for the eyes, transformed by Della Vite and [LOVE BRAND & Co](#) the British beachwear brand renowned for its playful prints and swimming trunks made from recycled single use plastics. LOVE Brand & Co has designed an exclusive limited edition Goring print named "Party like a LobStar", which encapsulates the easy-breezy fun-loving spirit at The Goring this Summer. Adorned with dancing lobsters in a colour palette of pastel greens and blues, the print (which will dress the hotel team and adorn napkins and aprons), draws inspiration from The Goring Garden shrouded in tropical foliage, under Summer blue skies. Della Vite will add the finishing touches with branded parasols to keep guests cool while sipping on their Prosecco cocktails.

Inspired by The Goring family's roots in Cornwall, there could be no better synergy. "The British seaside is looking rather full this year and so we're delighted to be able to bring a little piece of it to the middle of London" said Jeremy Goring, CEO of The Goring.

The Summer of Lobster and Fizz will also see an exciting addition in the shape of Britain's most popular little pony, Teddy the Shetland as 'pony in residence' from 16th - 31st August. Teddy will pack his saddle bags and live in The Goring Garden where guests will be able to enjoy a limited-edition Teddy the Shetland afternoon tea.

The Lobster & Fizz Garden will open daily from 12pm – 9pm
